

Printers' Pairs layouts

Litho Print / Digital Print

When setting up multiple page artwork, please use one of the following layouts. Pages must be in multiples of 4. For 20pp, 24pp, 36pp booklets, the layout should follow the same pattern. All pages should be clearly marked with the order that they should appear once the booklet has been assembled.

4 page - print single-sided

Page 2 Back	Page 1 Front
----------------	-----------------

12 page

Page 12 Back	Page 1 Front
-----------------	-----------------

16 page

Page 16 Back	Page 1 Front
-----------------	-----------------

4 page - print double-sided

Page 4 Back	Page 1 Front
----------------	-----------------
