Home Cook Menu @ Excellar

Ex Cellar is a family run business, and as such, our values and what we offer reflect this. Growing up in the 1970's, much of our family life was spent around the kitchen table. With the family dog asleep next to the already ancient Aga, and one of the many cats curled up on the wicker chair, we would all congregate there to keep warm, eat my mother's food, discuss why my homework was late again, and much more. We want Ex Cellar to be a continuation of this, where all are welcome, life is relaxed, and many and varied conversations are had by all. We also hope that you enjoy the food and wine and indulge in the kitchen table spirit.
