

Even when the rain is falling, the sun shine is always there

Project by Sue Morgan

***Dolly Dimples Crafts supplies used:***

Pickle stamp set (from Dollywood)  
 Harmony stamp set (from Festival Dollies)  
 Hope stamp set (from Festival Dollies)  
 Layering Stamp set 3  
 #040 Moroccan Trellis stencil

***Additional supplies:***

white card  
 Black Ink (suitable for your colouring medium)  
 Distress Oxide: Picked Raspberry & Peacock Feathers  
 Blending brushes  
 Acrylic blocks  
 Glue  
 Colouring pens/pencils/paints  
 Created in a large Dylusions Journal

How to make this project:

1. Using Picked Raspberry and the Moroccan Trellis stencil, gently ink lightly over the page.
2. Using the circular layering stamp on a large block lightly add Peacock Feathers around the edge. Spritz with water and stamp onto your journal page,
3. Using the small sentiment stamp from Harmony stamp set, curve slightly to echo the edge of your created circle and the stamp multiple times around the edge using black ink.
4. Using your white card, stamp out Pickle, a selection of 11 clouds (from Harmony & Hope stamp sets), a butterfly (Hope stamp set) and your larger sentiment (from Pickle stamp set).
5. Colour all these images in your chosen medium. I used alcohol markers for Pickle and water colours for the other elements.
6. Once coloured and dry, cut out all your images and arrange on your journal page and glue into place.
7. Cut out your sentiment into several pieces, lightly ink over with pink and edge in black. Glue down on top of your clouds.
8. Ground Pickle with a light wash of green.
9. With black pen, doodle a border to frame your page.
10. Add black and white doodle accents using both black and white pens.
11. Taa Daaa, you're done.
