STAIRWAY SAFETY

SCOTGRIP® HD SAFETY KICKERS™

SCOTGRIP® HD Safety Kicker™ is a unique polyurethane safety product that will prevent objects from being dropped or kicked over the back of stair treads/landings/flooring accidentally and falling below.

Scotgrip® HD Safety Kickers™ are easily fitted onto existing open grating/grille, chequered plate/flat steel, concrete or wood. SignAlert® safety signage/messages can be easily added to Safety Kickers™, these can be of any description (space permitting) and can even incorporate your company logo. These tough and durable products are manufactured under BE EN ISO 9001:2015 quality controlled conditions.

SCOTGRIP SSK
SCOTGRIP SSK SA

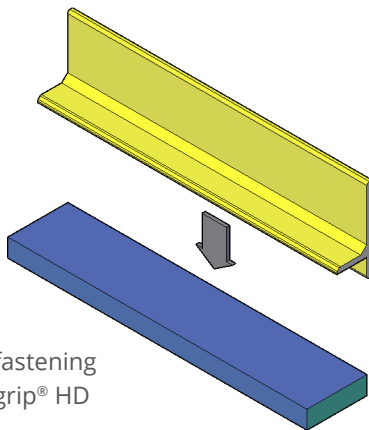

FITTING DATA

Open grating/grille	Scotgrip® Type 'S' Fixings (zinc or s/s) (Saddle clip assembly)
Chequered plate/flat steel	Self-tap screws or bolt, nyloc nut & washer (zinc or s/s)
Concrete	HPS impact fixings (zinc or s/s)
Wood	Wood screws (zinc or s/s)

METHOD

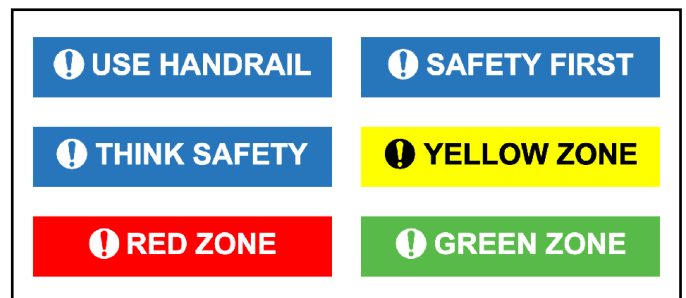

> SAFETY KICKER™ SIZES

Safety Kickers™ need to be fairly snug to the stairway stringers to work effectively. When ordering we would recommend deducting 5-10mm from the exact length of your steps

We recommend our own fastening systems for securing Scotgrip® HD Safety Kickers™.

> VARIOUS MESSAGES AVAILABLE

(Or to customer preference)

> SAFETY KICKER™

Safety Kickers™ are usually positioned at the rear of the stair tread/perimeter of landings/walkways to prevent objects being dropped or kicked and falling below. This upstand is 100mm (4" approx) in height.

> HIGHLY VISIBLE

Colour coded in a wide range of colour schemes to suit individual locations. Colour codes are: safety yellow, green, blue, red, white, orange.
Other colours available – please ask.

> MANUFACTURED TO CUSTOMER SPECIFICATION

Safety Kickers™ are manufactured to your requirements as the fit of these needs to be fairly snug with the stairway stringers.

> QUALITY – IT'S WHAT DRIVES US

All Scotgrip® HD/UHD safety products are manufactured under BS EN ISO 9001:2015 quality-controlled conditions using highly compatible raw materials at our manufacturing facility in Aberdeenshire, UK.

> HEAVY DUTY

Safety Kickers™ are extremely durable and will remain highly effective for many years.

> SAFETY MESSAGES/INFORMATION

SignAlert® can be added to any of our Safety Kickers™. Safety messages are proven to be an effective method of warning personnel of any hazards/hazardous areas they may be exposed to. Safety messages can be of any description and can even incorporate your company logo.

> EASE OF INSTALLATION

Safety Kickers™ are designed for quick and secure fitting by mechanical fixings. Scotgrip® products are non-load bearing and must have a suitable underlying structure to be secured to.

> OUR SUSTAINABILITY COMMITMENT

At Scotgrip® International, we're really proud to have achieved carbon neutral status and we're proactively moving towards our target of zero waste. Our environmental ethos extends to everything we do, including our product innovation. Our Safety Kickers™ features raw materials that are 16% fully circular which allows us to reduce our environmental impact further.
