

DECK PROTECTION

UHD DECKMATE® DUNNAGE MATS - PYRAGRIP® SURFACE

SCOTGRIP® UHD Deckmate® Dunnage mats are heavy duty polyurethane mats used to protect decks from heavy loads. Tough and resilient to match the harshest environments, Deckmate® UHD Dunnage mats provide excellent protection to the deck, are chemical resistant and are designed to give a long lifespan. These mats are manufactured with our unique, fully integrated Pyragrip® textured surface, all-round chamfered edges & pick-up holes in solid and lightweight versions.

➤ HIGHLY VISIBLE

Standard colours offered are: red, safety yellow, orange, blue, green and black.
Other colours are available - please ask.

➤ EASE OF INSTALLATION

Deckmate® UHD Dunnage mats can be placed into position quickly and easily due to their flexibility and lightweight construction. Scotgrip® HD/UHD safety products are non load bearing and must be secured to a suitable load bearing structure.

➤ QUALITY - IT'S WHAT DRIVES US

All Scotgrip® HD/UHD safety products are manufactured under BS EN ISO 9001:2015 quality-controlled conditions using highly compatible raw materials at our manufacturing facility in Aberdeenshire, UK.

➤ HEAVY DUTY

Deckmate® UHD Dunnage mats are extremely durable and will remain highly effective for many years. These products are durable, flexible and easy to handle.

➤ STANDARD SIZES OR TO CUSTOMER SPECIFICATION

Refer to the tables above for standard mat sizes. Custom sizes are also available if required, please send a sketch with dimensions and we will get back to you with details.

➤ OUR SUSTAINABILITY COMMITMENT

At Scotgrip® International, we're really proud to have achieved carbon neutral status and we're proactively moving towards our target of zero waste. Our environmental ethos extends to everything we do, including our product innovation. Our Deckmate® UHD Dunnage mats feature raw materials that are 16% fully circular which allows us to reduce our environmental impact further.
