

PIPE SAFETY

SCOTGRIP® HD ANTI-SLIP PIPEWALKER®

SCOTGRIP® HD anti-slip Pipewalker® is a heavy duty, high traction roll up anti-slip safety mat designed to allow safe walking and working on pipe. It is manufactured in two different types - Short Tread Pipewalker® (STP) and Long Tread Pipewalker® (LTP).

Scotgrip® HD Pipewalker® incorporate the unique Scotgrip® high-traction anti-slip safety surface which gives a sound foot-holding in the most extreme conditions. These heavy duty, tough and durable products are manufactured with a reinforced composite base and a graded aggregate anti-slip surface under BS EN ISO 9001:2015 quality controlled conditions. As a Scotgrip® quality standard, these products are fire rated, spark and friction tested.

Scotgrip® HD Pipewalkers® are lightweight and flexible for easy handling. Both Pipewalker® types (STP & LTP) are manufactured to a standard size of 3000mm x 700mm (118" x 27 1/2"), we can also manufacture both Pipewalker® types to custom sizes to suit your location.
