

WALKWAY & DECK SAFETY

SCOTGRIP® HD ANTI-SLIP GRATING COVER, WELD & DECK TILES

SCOTGRIP® HD anti-slip grating cover, weld & deck tiles will give a sound foot-holding in the most extreme conditions. These heavy duty, tough and durable safety products are manufactured with a reinforced composite base and a graded aggregate anti-slip surface under BS EN ISO 9001:2015 quality controlled conditions. As a Scotgrip® standard, these products are fire rated, spark and friction tested.

Walkways/decks/flooring can be made from various materials including the following: flat steel, open grating/grille, aluminium, concrete or wood. These tiles are installed onto your walkway/deck surfaces and secured by either mechanical fixing, welding or bonding with adhesive.

SDT (Deck Tile) - designed for walkways/decks/access ramps. This product maintains a certain flexibility to conform to uneven deck surfaces (secured by mechanical fixings/bonding with adhesive).

SGCT (Grating Cover Tile) - designed for all open grating/grille surfaces (secured by Type 'S' Fixings - saddle clip assemblies).

SWDT (Weld Deck Tile) - designed for walkways/decks/access ramps. This product is manufactured with steel plates built into the product base (secured by welding the steel plates to the deck).

- > ELIMINATES 'SLIPS AND TRIPS'
- > COST EFFECTIVE
- > HIGH TRACTION
- > TOUGH AND DURABLE
- > SPARK AND FRICTION TESTED
- > FULLY GUARANTEED
- > NON CORROSIVE
- > REFLECTS POSITIVELY ON PERSONAL PERFORMANCE
- > EASY TO FIT OVER EXISTING WALKWAYS / DECKS
- > STANDARD SIZES AND CUSTOM MADE
- > CARBON NEUTRAL ACCREDITED
- > FIRE RESISTANT

STANDARD SIZES

1m x 1m (approx. 40" x 40"), 2m x 1m (approx. 80" x 40")

1m x 1.2m (approx 40" x 48"), 2m x 1.2m (approx 80" x 48")

➤ HIGH-TRACTION ANTI-SLIP

Scotgrip® GRP Tiles will provide a sound foot-holding even in the most extreme conditions and will eliminate 'Slips and Trips' in your working environment.

➤ HIGHLY VISIBLE

Colour coded in a wide range of colour schemes to suit individual locations. Colour codes are: safety yellow, black/yellow, black, green, grey, blue, red, white. photoluminescent marking is available. Other colours are available - please ask.

➤ SAFETY MESSAGES/INFORMATION

SignAlert® can be added to any of our walkway/deck product range. Safety messages are proven to be an effective method of warning personnel of any hazards/hazardous areas they may be exposed to. Safety messages can be of any description and can even incorporate your company logo.

➤ STANDARD SIZES OR TO CUSTOMER SPECIFICATION

Scotgrip® GRP Tiles are manufactured in 1m x 1m, 2m x 1m, 1m x 1.2m & 2m x 1.2m tiles. We regularly manufacture custom sizes to suit individual locations.

➤ HEAVY DUTY

Scotgrip® GRP Tiles are extremely durable and will remain highly effective for many years.

➤ SURFACE GRADES

Coarse grade: 1-3mm aggregate (1/16" - 1/8" approx.)

Extra coarse grade: 3-5mm aggregate (1/8" - 3/16" approx.)

➤ EASE OF INSTALLATION

Scotgrip® GRP Tiles are designed for quick and secure fitting either by mechanical fixings, bonding to existing surfaces or by welding. These products are pre-drilled where required for quick installation. Scotgrip® products are non load bearing and must have a suitable underlying structure to be secured to.

➤ QUALITY - IT'S WHAT DRIVES US

All Scotgrip® HD/UHD safety products are manufactured under BS EN ISO 9001:2015 quality-controlled conditions using highly compatible raw materials at our manufacturing facility in Aberdeenshire, UK.

➤ OUR SUSTAINABILITY COMMITMENT

At Scotgrip® International we're really proud to have achieved carbon neutral status and we're proactively moving towards our target of zero waste. Our environmental ethos extends to everything we do, including our product innovation.
