

STAIRWAY SAFETY

SCOTGRIP® HD ANTI-SLIP STAIR NOSINGS

SCOTGRIP® HD anti-slip stair nosings incorporate the unique Scotgrip® high-traction anti-slip safety surface which gives a sound foot-holding in the most extreme conditions. These heavy duty, tough and durable safety products are manufactured with a reinforced composite base and a graded aggregate anti-slip surface under BS EN ISO 9001:2015 quality-controlled conditions. As a Scotgrip® quality standard, these products are fire rated, spark and friction tested.

The leading edge of a step is the most dangerous part, especially if it has been damaged, worn smooth or rounded by constant use. By installing Scotgrip® stair nosings not only is this hazard eliminated but the lifespan of the step is greatly increased. These heavy duty safety products are easily fitted onto open grating/grille, chequered plate/flat steel, concrete or wood.

- 
- > ELIMINATES 'SLIPS AND TRIPS'

Standard lip size on stair nosing is 30mm (1" approx.)

FIXING HOLE POSITIONING

If fixing holes are to be pre-drilled the following information is required:

Stair tread to which Scotgrip® anti-slip stair nosing is to be fitted to.

HIGH-TRACTION ANTI-SLIP

Scotgrip® stair nosings will provide a sound foot-holding even in the most extreme conditions and will eliminate 'Slips and Trips' in your working environment.

HIGHLY VISIBLE

Colour coded in a wide range of colour schemes to suit individual locations. Colour codes are: safety yellow, black/safety yellow, black, green, grey, blue, red, white. Photoluminescent marking is available. Other colours available – please ask.

SAFETY MESSAGES/INFORMATION

SignAlert® can be added to any of our stairway products. Safety messages are proven to be an effective method of warning personnel of any hazards/hazardous areas they may be exposed to. Safety messages can be of any description and can even incorporate your company logo.

STANDARD SIZES OR TO CUSTOMER SPECIFICATION

Scotgrip® stair nosings are manufactured in a wide range of standard sizes (see table). We regularly manufacture custom sizes to suit individual locations.

HEAVY DUTY

Scotgrip® stair nosings are extremely durable and will remain highly effective for many years.

SURFACE GRADES

Coarse grade: 1-3mm aggregate (1/16"-1/8" approx.)

Extra coarse grade: 3-5mm aggregate (1/8"-3/16" approx.)

EASE OF INSTALLATION

Scotgrip® stair nosings are designed for quick and secure fitting, either by mechanical fixings or bonding to existing surfaces. These products are pre-drilled where required for quick installation. Scotgrip® products are non-load bearing and must have a suitable underlying structure to be secured to.

QUALITY – IT'S WHAT DRIVES US

All Scotgrip® HD/UHD safety products are manufactured under BS EN ISO 9001:2015 quality-controlled conditions using highly compatible raw materials at our manufacturing facility in Aberdeenshire, UK.

OUR SUSTAINABILITY COMMITMENT

At Scotgrip International, we're really proud to have achieved carbon neutral status and we're proactively moving towards our target of zero waste. Our environmental ethos extends to everything we do, including our product innovation.
