

WALKWAY & DECK SAFETY

SCOTGRIP® HD ANTI-SLIP FLEXTILE™

SCOTGRIP® HD anti-slip FlexTile™ is a heavy duty, high traction anti-slip safety tile designed to allow safe walking on walkways/decks.

Scotgrip® FlexTiles™ incorporate the unique Scotgrip® high-traction anti-slip safety surface which gives a sound foot-holding in the most extreme conditions. These heavy duty, tough and durable safety products are manufactured with a reinforced composite base and a graded aggregate anti-slip surface under BS EN ISO 9001:2015 quality-controlled conditions. As a Scotgrip® quality standard, these products are fire rated, spark and friction tested.

Walkways/decks/flooring can be made from various materials including the following: flats steel, aluminium, concrete or wood. Most of these surfaces are quite acceptable when dry but can become extremely dangerous when wet, soiled or painted. By installing Scotgrip® FlexTiles™ not only is this slip hazard eliminated but the lifespan of the underlying surface is greatly increased. These heavy duty products are secured by either mechanical fixings or bonded to existing surfaces.

- > ELIMINATES 'SLIPS AND TRIPS'
- > COST EFFECTIVE
- > HIGH TRACTION
- > TOUGH AND DURABLE
- > STANDARD SIZES AND CUSTOM MADE
- > FULLY GUARANTEED
- > NON CORROSIVE

1m x 1m (approx. 40" x 40"), 2m x 1m (approx. 80" x 40")

1m x 1.2m (approx 40" x 48"), 2m x 1.2m (approx 80" x 48")

➤ HIGH-TRACTION ANTI-SLIP

Scotgrip® FlexTiles™ will provide a sound foot-holding even in the most extreme conditions and will eliminate 'Slips and Trips' in your working environment.

➤ HIGHLY VISIBLE

Colour coded in a wide range of colour schemes to suit individual locations. Colour codes are: safety yellow, black/safety yellow, black, green, grey, blue, red, white. Photoluminescent marking is available. Other colours available – please ask.

➤ SAFETY MESSAGES/INFORMATION

SignAlert® can be added to any of our walkway/deck products. Safety messages are proven to be an effective method of warning personnel of any hazards/hazardous areas they may be exposed to. Safety messages can be any description and can even incorporate your company logo.

➤ STANDARD SIZES OR TO CUSTOMER SPECIFICATION

Scotgrip® FlexTiles™ are manufactured in 1m x 1m, 2m x 1m, 1m x 1.2m & 2m x 1.2m tiles. We regularly manufacture custom sizes to suit individual locations.

➤ HEAVY DUTY

Scotgrip® FlexTiles™ are extremely durable and will remain highly effective for many years.

➤ SURFACE GRADE

Coarse grade: 1-3mm aggregate (1/16"-1/8" approx.)

➤ EASE OF INSTALLATION

Scotgrip® FlexTiles™ are designed for quick and secure fitting, either by mechanical fixings or bonding to existing surfaces. Scotgrip® products are non-load bearing and must have a suitable underlying structure to be secured to.

➤ QUALITY – IT'S WHAT DRIVES US

All Scotgrip® HD/UHD safety products are manufactured under BS EN ISO 9001:2015 quality-controlled conditions using highly compatible raw materials at our manufacturing facility in Aberdeenshire, UK.

➤ OUR SUSTAINABILITY COMMITMENT

At Scotgrip® International, we're really proud to have achieved carbon neutral status and we're proactively moving towards our target of zero waste. Our environmental ethos extends to everything we do, including our product innovation.
