

STAIRWAY SAFETY

SPIRATREAD® HD ANTI-SLIP SPIRAL STEP COVERS

SCOTGRIP® HD Spiratread® anti-slip spiral step covers incorporate the unique Scotgrip® high-traction anti-slip safety surface which gives a sound foot-holding in the most extreme conditions.

These heavy duty, tough and durable safety products are manufactured with a reinforced composite base and a graded aggregate anti-slip surface under BS EN ISO 9001:2015 quality-controlled conditions. As a Scotgrip® quality standard, these products are fire rated, spark and friction tested.

The leading edge of a step is the most dangerous part, especially if it has been damaged, worn smooth or rounded by constant use. By installing Spiratread® step covers not only is this slip hazard eliminated but the lifespan of the step is greatly increased. These heavy duty products are easily fitted onto open grating/grille, chequered plate/flat steel, concrete or wood and are manufactured to fit clockwise or anti-clockwise spiral stairways.

- 
- > ELIMINATES 'SLIPS AND TRIPS'
 - > COST EFFECTIVE
 - > HIGH TRACTION
 - > TOUGH AND DURABLE
 - > MANUFACTURED TO ANY SHAPE OR SIZE
 - > FULLY GUARANTEED

PRODUCT DESCRIPTION

Spiratread® HD Anti-Slip Spiral Step Cover

PRODUCT CODE

SCOTGRIP SPS

FITTING DATA

Open grating/grille

Chequered plate/flat steel

Concrete

Wood

Scotgrip® Type 'S' Fixings (zinc or s/s) (Saddle clip assembly)

Self-tap screws or bolt, nyloc nut & washer (zinc or s/s)

HPS impact fixings (zinc or s/s)

Adhesive, wood screws (zinc or s/s)

FIXING METHOD

> DIMENSIONS REQUIRED

We recommend our own fastening systems and adhesives for securing Scotgrip® HD anti-slip Spiratread®.

> HIGH-TRACTION ANTI-SLIP

Spiratread® step covers will provide a sound foot-holding even in the most extreme conditions and will eliminate 'Slips and Trips' in your working environment.

> HIGHLY VISIBLE

Colour coded in a wide range of colour schemes to suit individual locations. Colour codes are: safety yellow, black/safety yellow, black, green, grey, blue, red, white. Photoluminescent marking is available. Other colours available – please ask.

> SAFETY MESSAGES/INFORMATION

SignAlert® can be added to any of our stairway products. Safety messages are proven to be an effective method of warning personnel of any hazards/hazardous areas they may be exposed to. Safety messages can be of any description and can even incorporate your company logo.

> MANUFACTURED TO CUSTOMER SPECIFICATION

Spiratread® step covers are manufactured to suit individual locations. Please send a sketch or photo with the above required dimensions and we will get back to you.

> HEAVY DUTY

Spiratread® step covers are extremely durable and will remain highly effective for many years.

> SURFACE GRADES

Coarse grade: 1-3mm aggregate (1/16"-1/8" approx.)

Extra coarse grade: 3-5mm aggregate (1/8"-3/16" approx.)

> EASE OF INSTALLATION

Spiratread® step covers are designed for quick and secure fitting, either by mechanical fixings or bonding to existing surfaces. These products are pre-drilled where required for quick installation. Scotgrip® products are non-load bearing and must have a suitable underlying structure to be secured to.

> QUALITY – IT'S WHAT DRIVES US

All Scotgrip® HD/UHD safety products are manufactured under BS EN ISO 9001:2015 quality-controlled conditions using highly compatible raw materials at our manufacturing facility in Aberdeenshire, UK.

> OUR SUSTAINABILITY COMMITMENT

At Scotgrip® International, we're really proud to have achieved carbon neutral status and we're proactively moving towards our target of zero waste. Our environmental ethos extends to everything we do, including our product innovation.
