

## *Choosing the correct Dog Coat*

Dogs are all different shapes and sizes even within the same breed type, so it is important to measure the length of your dog's back before you buy your new coat.

*Measure between the neck and the base of the tail of the dog*

Approx breed size guidelines below:

- 8"-10" (x-small) - Bichon Frise, Chihuahua
- 10"-14" (small) - Jack Russell, Pekingese, Border Terrier
- 14"-18" (medium) - Fox Terrier, West Highland, Cavalier King Charles Spaniel
- 18"-22" (large) - Beagle, Springer Spaniel
- 22"-26" (x-large) - Setter, Standard Poodle, Weimaraner
- 26"-30" (xx-large) - Labrador, German Shepherd
