

# ELEVATE 120

**Wood finish: £399**

**Glass finish: £419**

Prices include VAT & delivery

Elevate 120 is a modern & stylish motorised sit-stand desk available in finishes and colours designed to suit your office or home environment.

It is cost effective, stable at all heights (even with dual 27" monitor arms attached) and accommodates users from 5ft to 6ft 8".

# Features

**Motorised height adjustment:** Fast, smooth and quiet motorised height adjustment, takes just 24 seconds to travel from minimum to maximum height

**Wide height range:** 69cm to 117cm (27.2" to 46")

Accommodates users from 5ft without the need of a footrest when seated, up to 6ft 8" standing

**Display:** Clear digital height read-out

**Top size:** 1200mm x 600mm

Ideal for up to 2 x 27" widescreen monitors

## **Styles to suit your office or home:**

4 top styles available with a black or white frame

## **Combinations available:**

- |                              |                              |
|------------------------------|------------------------------|
| 1). Black Frame, Black Glass | 2). White Frame, White Glass |
| 3). Black Frame, Black Wood  | 4). White Frame, White Wood  |
| 5). Black Frame, Oak Top     | 6). White Frame, Oak Top     |

**Elevate 120: Black Frame & Black Glass**  
2 x VTArm 3 monitor arms & 2 x 27" monitors

**Safety:** Automatic collision detection stops desk instantly (and reverses direction) when raising or lowering if resistance is detected for maximum safety. Adjustable sensitivity with 4 levels

Child lock prevents unwanted adjustment

**Memory presets:** 4 handy memory presets allow users to easily switch between their ideal sitting and standing heights

**High speed USB charging:** Convenient phone and device charging for up to 3 devices. 18 watts maximum per port

**Assembly:** Quick and easy to assemble.

Takes just 15 minutes with all tools provided, as well as easy to follow printed instructions and YouTube assembly / operation video

# Advantages

Elevate 120 has been thoughtfully designed to offer improvements over other sit-stand desks:

1. Full desk clamping monitor arm support with load spreading bar included
2. Improved horizontal support bar allows unrestricted foot space whilst maintaining unrivalled stability even at maximum height
3. Improved minimum height range from 69cm prevents the need for a footrest for users 5ft or taller
