● **TravelBright 3 - £40 inc. VAT**
(USB mains charger sold separately)
Versatile & portable battery operated pocket light

Whether you're reading, writing, or navigating darker spaces, the TravelBright 3 offers light exactly where you need it.

Key Features Designed for You:

- **Compact, stylish & pocket-sized:** Fits easily in your hand, handbag, or backpack – perfect for life on the move
- **Adjustable brightness & colour temperature:** Tailor the light to your vision needs, from warm glow to crisp daylight – ideal for those with low vision or light sensitivity
- **Tilt & height adjustable:** Direct light exactly where it's needed, whether you're reading a recipe or writing notes
- **Long-life USB-C rechargeable battery:** No fuss, no fiddly cables. A full charge gives you up to 200+ hours of use - no disposable batteries needed
- **Emergency phone charger built-in:** Doubles as a power bank, so you're never left in the dark or without a phone
- **Lightweight** (199g): Comfortable to carry & hold, even for extended periods

Perfect For:

- Reading menus or books in dim cafés or trains
- Writing or signing documents
- Lighting your way in unfamiliar hotel rooms
- Crosswords, word puzzles, sudoku etc.
- Emergency lighting during power cuts

Brightness:	70 to 900 lux @ 30cm (approx.)	Size (L x W x H):	145 x 55 x 26mm 5.7 x 2.2 x 1.0 inches
Colour Temp:	2700 - 6500K	Battery:	Li-poly 8 hours approx.

● **FlexiBright - £50 inc. VAT**

Stylish, energy saving, daylight LED table lamp

Brighten your space & your day – with light that works for you

Designed to make reading, writing, & everyday tasks more comfortable by giving you control over your lighting - adjusting easily to your needs.

Key Features Designed for You:

- **Modern, stylish look:** A smart addition to a desk, side table or workstation
- **Pivoting head & flexible arm:** Aim the light precisely where you need it
- **Soft, even lighting with reduced glare:** Special diffusing technology minimises dazzle & shadows - ideal for sensitive eyes
- **Fully adjustable brightness:** Smooth, touch-sensitive slider (with tactile guidance), easy to control lighting - even for those with dexterity issues
- **5 colour temperature modes:** Choose your comfort - from soft warm light to clear, crisp daylight (3000K – 6500K)
- **Built-in USB charging port:** Handy for charging other devices

Perfect For:

- Students & professionals in home offices, classrooms etc.
- Reducing eye strain & improving focus for reading, hobbies & more
