Limescale Remover

500ml

ecover works for you

This hard-working spray sticks to surfaces to get rid of hard water build-up such as limescale and calcium deposits on sinks, taps, tiles and showerheads.

We choose renewable plant-based and mineral ingredients which are effective, reduce pollution and lessen the burden on our planet's resources

Our famous ecological factories are energy efficient, sustainably built & clean running. So Ecover products have come from our clean, green home to yours.

ingredients

<5%: non-ionic surfactants, perfume (limonene); Others: water, citric acid, sodium citrate.

logistical data per unit
