- A. When necessary – soap makes skin itch / burn
- B. Twice a day
- C. All the time – never feels clean for long
- D. Not often – skin burns to quickly
- E. Once to twice a day

4. How does your make-up look by mid-day?

- A. Tends to look dull & flaky or irritates skin easily
- B. Good but need to re-apply powder on T-zone
- C. Re-apply powder often/skin shiny MU disappears
- D. Not wear much – reactions – burns – irritates
- E. Good – re-apply only lipstick

5. How often do you get a breakout?

- A. Never
- B. Sometimes just in some areas
- C. Often
- D. If I do it is often small red bumps that are sore – itch – burn
- E. Rarely.

6. What is your biggest concern

- A. Fine lines – premature aging – skin feels dry
- B. Nothing really
- C. Pimples – blackheads – shine
- D. Skin is irritated & can react to any products
- E. I do not have a big concern

7. If you could only use one product which would it be?

- A. Moisturiser
- B. Does not really matter
- C. Cleanser – preferably a gel or soapy stuff
- D. Depends which product will not react to
- E. My favourite one or something special

8. What does your skin looks like /feel after washing?

- A. Dry – dehydrated – tight – dull – flaky
- B. Dry and oily in some areas or mostly normal
- C. It is the only time it is not shiny
- D. Itchy – red – burning – irritated
- E. Rosy cheeks

9. How often do you feel need to apply moisturiser

- A. More than once a day
- B. More on cheeks or only once a day
- C. Do not want to due to oiliness
- D. Depends on how sensitive my skin is feeling
- E. Average of once a day

10. Describe your T-Zone

- A. Dry like rest of my face - with fine pores
- B. Oily & shiny with open pores
- C. Definite problem area: greasy/oily/large open pores
- D. The least sensitive area of my face
- E. No Visible pores
