Free-standing pedal activated hand sanitiser station

B L A C K E D I T I O N

- ▶ Hands free operation
- ▶ Adapts to all bottles
- ▶ 100% mechanical
- ▶ No installation required
- ▶ Durable and robust

Ensure increased hygiene and safety with **ilona free-standing pedal activated hand sanitiser station**

ilona BLACK EDITION is a powder coated Aluminum dispenser with a mechanical pedal mechanism that avoids hands making contact with the sanitiser bottle housed in the top.

ilona BLACK EDITION doesn't need any permanent installation but can fixed to the ground. It's very stable with a large foot plate and is vandal proof.
