- USER WEIGHT 21 Stone
- TOTAL WEIGHT 30kg
- AUTOMATICALLY FOLDS IN 7 SECONDS
- ON & OFF BOARD CHARGING AS STANDARD
- FREE TRAVEL BAG

**2 YEAR WARRANTY ON ALL MODELS**

The eDrive is a travel friendly scooter and is designed to fit into almost any car boot in one piece. It quickly and automatically folds itself into a small manageable shape in one smooth movement at the press of a button on the key fob, and unfolds just as quick. A heavy duty travel bag is also included to protect the eDrive when travelling.

Once in the boot the revolutionary removable battery pack allows you to simply slide out the lightweight lithium battery pack to charge indoors, leaving the rest of the eDrive in the car boot, ready for the next journey. Alternatively the on board charge socket allows you to charge the battery whilst it is still on board if you would prefer take it inside.

Despite its compact shape the eDrive offers market leading performance for its category along with plenty of comfort and stability. Featuring large wheels and an impressive ground clearance as well as plenty of leg room and a weight limit of 21 stone. The adjustable tiller also allows the user to set the most convenient height along with a comfortable upholstered seat with padded folding armrests.

Free travel bag

Removable battery with OBC even when folded

Auto Folds at a push of a button in one smooth 7 second motion

Large wheels for ground clearance
