

WPS-HP201T

Hyshare Pro Pods (2 Dongles per pack)

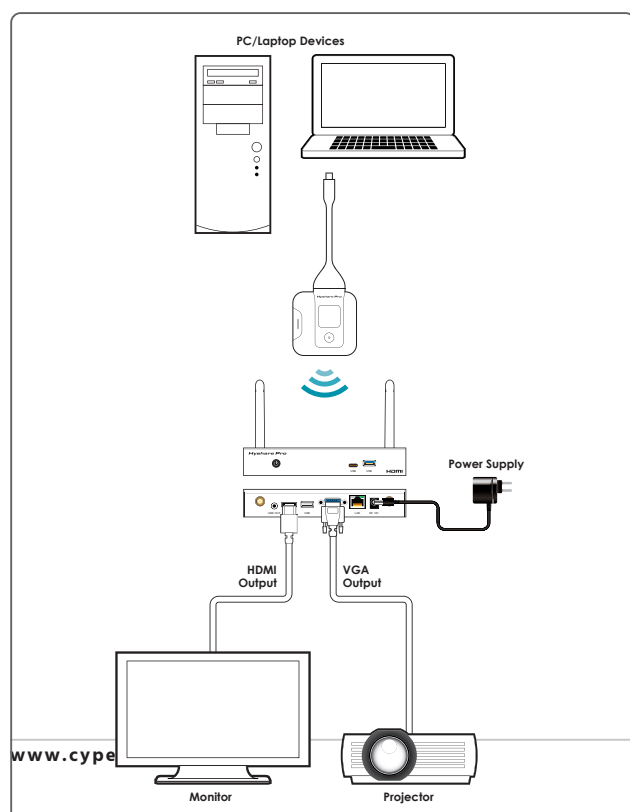

The WPS-HP201T is the companion pack of 2 pods for the Hyshare wireless meeting room systems. These USB-C transmitters connect wirelessly to the Hyshare Pro station and transmits video and audio signals which enables users to join a meeting at the press of the Pod's button. Plug in a Pod and everyone can share content wirelessly without installing any App or even using a web browser. Distances can reach up to 10 meters, free yourself from messy cables with the Hyshare Pro solution.
