

BD_SW_2B_23 Suzuki GSXR1000 – 2017 onwards
Start / Kill 2 button handlebar race switch

This switch is a direct replacement for the standard Start / Kill switch assembly found on the GSXR

This aluminium assembly has been designed ultra-slim and encompasses a red latching switch for RUN/STOP and a black momentary switch for the starter motor. Note – Run position is with red switch IN

No modification of the bike wiring is necessary, this kit plugs directly into the standard loom.

Brake light switch wiring is only included if this is requested at the time of ordering.
