

BD_SW_5B_16 Yamaha R6 2018 YEC KIT, 5 button left side race switch**TC + , MAP , PIT limit speed, Rain light, TC -**

The aluminium assembly has been designed ultra-slim and encompasses these waterproof switches for 'plug n play' application of the 2018 YEC kit Yamaha R6

- Green , TC +
- Yellow latching ON/OFF MAP (push IN for map 2)
- Blue momentary (push and hold for pit speed limit)
- Red latching ON/OFF for rain light
- Green , TC -

No modification of the bike wiring is necessary, this kit plugs directly into the connectors of the standard YEC loom.

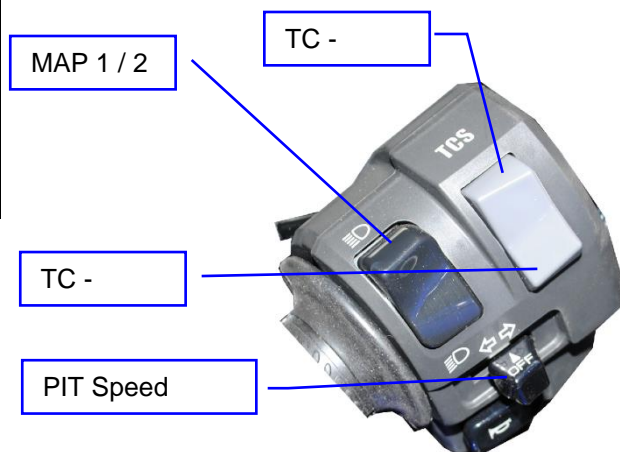

This switch set also includes the clutch switch wiring as a separate component. For track bikes which do not need the clutch switch this can be left off.

Matching right side switch is available – BD_SW_3B_12A

*Note that this switch is specific to the European specification bikes with YEC kit wiring
For USA specification bikes with standard wiring, use parts number BD_SW_3B_12B*
