

BD_SW_3B_07 3 button right side switch – Kawasaki ZX10-2016 , Run/Stop Starter , Lap-Start

This switch is designed to replace the standard right side switch block on the ZX10-2016 to 2020 bike

The aluminium assembly has been designed ultra-slim and encompasses these waterproof switches:

- RED latching (Push On , Push OFF) for stop and run
- Blue momentary to replicate the Lap time Start function
- Black momentary for engine starter

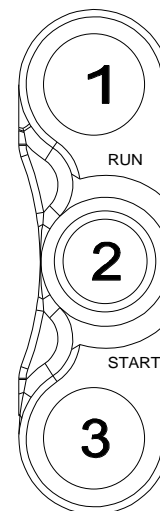

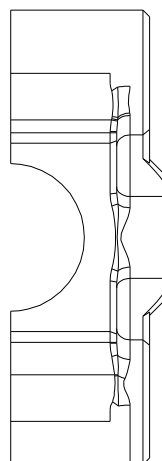

No modification of the bike wiring is necessary, this kit plugs directly into the 6 way connector of the standard loom,

This 3 way left switch can be used with the standard left side switch, or the matching 4 way race switch as seen here to the right– part number BD-SW-4B-09

Function:

1	Red	Stop /Run	latching
2	Blue	Lap - Start	Momentary
3	Black	Starter	Momentary
