

**BD\_SW\_2B\_32**

**Ducati V2 right side , Start – Stop/Run  
 2 button handlebar race switch for clamp mounting onto the handlebar**

This switch is a direct replacement for the standard Start / Kill switch assembly found on the Ducati V2

This aluminium assembly has been designed ultra-slim and encompasses a red latching switch for RUN/STOP and a black momentary switch for the starter motor.

No modification of the bike wiring is necessary, this kit plugs directly into the 8 way connector of the standard loom. The DRL and Hazard functions are not included or needed on race bikes

**Function:**

1	Red	Run / Stop	Latching
2	Green	Starter	Momentary

**Electrical / Mechanical Characteristics**
