

BD_SW_2B_24 Stop/Run – Start, 2 button handlebar race switches for Kawasaki ZX-6R 636 KTRC edition up to 2018

This switch is a direct replacement for the standard Start / Kill switch assembly found on the 636.

This aluminium assembly has been designed ultra-slim and encompasses a red latching switch for RUN/STOP and a black momentary switch for the starter motor.

No modification of the bike wiring is necessary, this kit plugs directly into the black 6 way connector of the standard loom.

For the mating left switch please refer to part number BD-SW-2B-09 as seen here
