

BD_SW_2B_14 2 button left side handlebar race switches for MV F3 675 and 800 and Brutale

This switch is a direct replacement for the standard left side switch block on race bikes which no longer need the turn signals, light controls or horn.

This aluminium assembly has been designed ultra-slim for applications with restricted space.

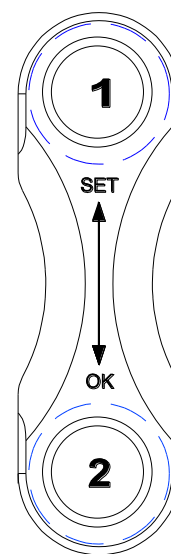

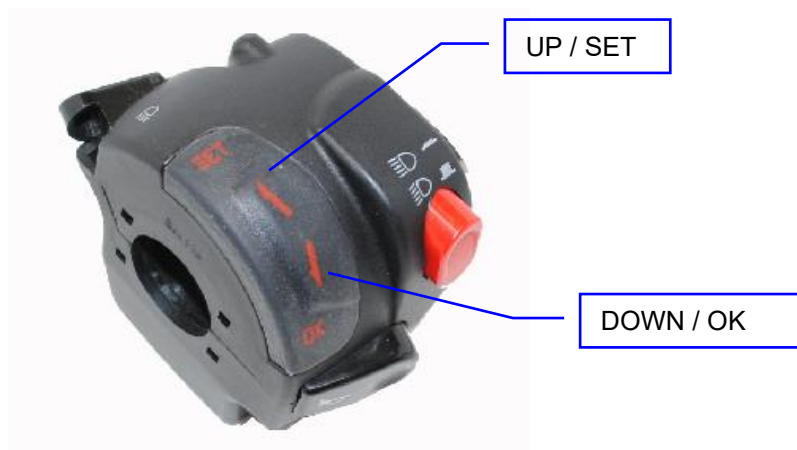

No modification of the bike wiring is necessary, this kit plugs directly into the white 3 way and 10 way connectors of the standard loom and also the clutch switch.

Suitable for:

- F3 – 675
- F3 – 800
- Brutale
