

Life Drawing Workshop Saturday
2nd March 2024 10am – 1pm

Feeling Inspired?

A friendly, relaxed Life Drawing workshop at The White Horse Bookshop with either Emma or Clare, our inspirational models. This workshop is for both beginners and advanced artists. You can either be tutor lead or doing your own thing.

The poses are fairly short, giving you an opportunity to explore different approaches to drawing the human form.

Hope to see you there.

Jenny Arthy.
