

# Speedy Watercolours

WITH KEVIN SCULLY

Friday April 26<sup>th</sup> 2024, 10am - 4pm

## Who is the workshop for?

The workshop is for everyone, from complete beginners through to intermediate level, as well as those painters with a little more experience.

## What will we be painting?

We will be painting a variety of subject matter.

## What will we be hoping to achieve?

On this course you will be shown how to create paintings devoid of any unnecessary detail and instead we will be looking at ways in which to say more with less. Most watercolour painters have a desire to 'loosen up', and you will be shown how this can be achieved. No previous experience is necessary, and any extra materials required will be supplied by the tutor free of charge. Be prepared to experiment and throw caution to the wind. All reference images to work from will be provided.

## What do I need to bring?

An assortment of best quality watercolours, preferably in tubes, a selection of NOT or Rough watercolour paper 140lb or heavier, about A3 size, a selection of good quality synthetic brushes in various sizes, an HB pencil, putty rubber, palette, drawing board, spray diffuser, ruler, masking tape, tissues, or kitchen towel.
