### **Mountain lakes in autumn with watercolour**

Tuesday 10<sup>th</sup> November 2026

Spend a relaxing day exploring the beauty of mountain lakes in autumn through watercolour painting. This workshop will guide participants in creating atmospheric landscapes filled with rich autumn colours, reflective water, and distant mountains. Learn essential techniques including colour mixing, washes, layering, and capturing light and reflections. Suitable for beginners and more experienced painters, the session offers step-by-step demonstrations alongside individual guidance. Enjoy experimenting with warm golds, reds, and cool blues to create a peaceful seasonal scene. By the end of the day, participants will have completed their own watercolour paintings and gained confidence in painting landscapes inspired by autumn's natural beauty.

Tools and materials needed for the workshop:

1 x A4 equivalent pad of 'Not' surface watercolour paper 140lb/300gsm

'Not' refers to the surface texture of the paper and is also known as CP (cold pressed) or Bockingford

1 x size 10 or 12 and 1 x size 4 round watercolour brush.

Watercolour paint, either tubes or pans.

I recommend the following colours:

Ultramarine Blue, Burnt Sienna, Cadmium Yellow Pale, Cadmium Red, Yellow Ochre or Raw Sienna

Optional colours: Cobalt Blue, Paynes Grey

If bringing tubes, then you will need 1 white mixing palette or china plate

1 x water receptacle (jam jar or plastic container)

Tissues, 2B pencil, eraser.
