

Baking in WHITBY SINCE 1865

Elizabeth Botham, Founder

Elizabeth Botham opened her bakery in the ancient port of Whitby, North Yorkshire, in 1865. She began by selling bread and cakes from a basket at the local market, eventually acquiring the premises on Skinner Street - where you'll still find us today. Botham's traditions are now continued by the fourth and fifth generations of her family.

For over 160 years, we've been crafting delicious fruit cakes, tea breads, and biscuits using time-honoured recipes. Baked at our SALSA-accredited bakery on Enterprise Way in Whitby, North Yorkshire, each item is carefully wrapped in elegant packaging with gold detailing—designed to stand out on the shelf.

With a one-week lead time and excellent shelf life, our range offers a reliable, high-quality option your customers will love.

Botham's Resolution Whitty Tea

A little more about our Products...

Yorkshire Brack

A rich & sticky fruit loaf made with the finest vine fruits steeped in Botham's Resolution Tea before baking, to give its distinctive colour & flavour. 'Brack' is a fruited cake made without adding shortening. In Yorkshire we enjoy it with butter and cheese.

Stem Ginger Brack

Ginger Brack brings together the highest quality stem ginger, succulent golden sultanas and the zest of sun ripened oranges. 'Brack' is a fruited cake made without adding shortening. In Yorkshire we enjoy it with butter and cheese.

Plum Bread

Our delicious yeast-risen tea bread is lightly spiced & richly fruited with choice sultanas, currants & mixed peel. Serve sliced and buttered. Did you know? Plum Bread & Plum Pudding do not necessarily contain any Plums - 'Plum' means 'richly fruited'.

Whitby Heritage Ginger Loaf

Block Gingerbread is baked dry & firm for keeping, and has been made in Whitby by Botham's for over 150 years using Elizabeth's own recipe. This delicious ground ginger loaf (not a sticky cake) is made to slice like bread and butter generously, perfect for supper.

Ginger Parkin

A combination of oatmeal, treacle & ground ginger makes this recipe a real Yorkshire treat. Traditionally enjoyed throughout the colder months, we think our warming Yorkshire Ginger Parkin is a delicious slice of nostalgia that's perfect at any time of year!
