1st March 2000 Millennium Timekeepers Stamp Show 2000 overprinted miniature sheet, Spring Stampex London special postmark on Royal Mail cover. This sheet had already been issued at the end of 1999, but without any notice, at Spring Stampex in London, a version became available overprinted with 'Stamp Show 2000' as part of the ticket package for the show later that year. A few cover dealers were on the ball and managed to get these stuck and so produce a very rare FDC, we think only 300 – 400 FDC exist in total, a tiny fraction of what would normally be produced.
