Own a piece of history! From Willy Messerschmitt to Omar Bradley, Prince Philip to Grace Kelly, Henry Fonda to Gerald Ford, we have a great selection of genuine signatures that are a must for every autograph collection.

All of our signatures are guaranteed genuine.

HANS ROSSBACH WWII SERIES

Rossbach was a renowned military autograph collector in both the GB & German markets and spent three years in the 1970s travelling to personally acquire autographs of top Luftwaffe pilots, naval veterans and other connected personnel. We are pleased to be able to offer two of the hardest to find covers from his collection. Both of which feature his official cachets on the reverse with information about the signatures.

1975 RAF Hendon

Willy Messerschmitt, German aircraft manufacturer who designed the Messerschmitt Bf 109 which was the most important Luftwaffe fighter & remains the second most-produced warplane in history.

Erich Hartmann, the most successful fighter ace in the history of aerial warfare credited with 352 victories in 1,404 combat missions.

Gerhard Barkhorn, the second most successful fighter pilot of all time with 301 victories in 1,104 combat sorties.

Adolf Galland, flying ace credited with 104 aerial victories in 705 combat missions.
