Welcome to your **January** **PROMOTIONS**

Welcome to Ariston Foods Ltd.

As we move into 2026, our focus remains clear and consistent: to supply authentic Greek and Mediterranean products that perform reliably in professional kitchens across the UK.

Ariston Foods Ltd was built to support foodservice operators, wholesalers, and procurement teams who value quality, continuity, and simplicity. We work closely with carefully selected producers and partners to ensure our range delivers not only on taste and authenticity, but also on consistency, availability, and commercial confidence.

From everyday staples to specialist lines, every product we supply is chosen with purpose. Our customers rely on us for products that integrate seamlessly into their operations whether that means ease of handling, dependable cooking performance, or strong customer acceptance at point of sale.

This promotions brochure highlights a curated selection of our current offers for 2026. Each promotion is designed to help you manage costs effectively, protect margins, and streamline sourcing, without compromising on product standards or provenance.

At Ariston Foods Ltd, we believe strong partnerships are built on trust, reliability, and long-term thinking. No unnecessary noise. No short-term promises. Just well-sourced products, delivered consistently, and supported by a team that understands the realities of professional foodservice.

We look forward to supporting your business throughout 2026 and beyond.
