DISCOVER HOW YOUR SUPPORT HELPS

LIFE VISION, EGYPT

WORKING TO SUPPORT AND STRENGTHEN FAMILIES OF THE ZABBALEEN COMMUNITY IN CAIRO.

5-year-old Sara* lives with her parents and younger sister in Cairo. Today she is a confident little girl, growing in life skills and academic abilities.

There was a time when Sara's home environment was both stressful and emotionally unstable. Her parents were unable to work consistently because they needed to spend time caring for ill relatives. The financial pressure to make ends meet and provide education for their girls led to Sara's parents considering an option no parents want to consider – placing their children in an orphanage.

Thankfully, they instead found help through our Egyptian partner Life Vision. They enrolled Sara in Life Vision's Oasis nursery and after-school program, giving Sara a secure environment throughout the day, as well as individual psychosocial support sessions. Through the care and support of Life Vision staff, Sara has transformed from a fearful, inhibited young girl into an engaging child who looks forward to her nursery, learning activities and outings.

With Sara well-supported, her parents have been able to find regular work. They have also enrolled in a weekly parenting program and received psychosocial support themselves, meaning that the home environment has become calmer and more stable too.

"WE NEVER WOULD HAVE MADE IT WITHOUT YOU!
YOU ARE GOD'S CHANNEL FOR THIS BLESSING."

- Sara's mother

PLANT AN OLIVE TREE

A direct and peaceful way to stand with Palestinians

In the West Bank, olive groves are being cut down and land seized from Palestinian farmers by the Israeli occupation at an unprecedented rate.

For £20 we will arrange for a sapling olive tree to be planted, sustaining this vital Palestinian crop and helping indigenous farmers maintain their claim on the land.

You will receive a registration card for each tree you sponsor, which can be sent on as a gift. Once registered and planted, you will receive a certificate and updates about the farmers you're supporting.

Planting an olive tree in Palestine is a great way to express your commitment to peace and justice.

£5 from your gift will go toward supporting wider work for justice, peace and equality in the West Bank.
